

Dear Parents,

As part of our continuous effort to provide holistic learning experience for our students, we are happy to introduce an Online **Personality Enrichment Program – PEP** (www.prepmyskills.com). This solution has been developed by 'Prepmyskills' - a tech enabled learning solutions company, headquartered at Bangalore. This solution is very user friendly and covers topics related to **Habits, Behaviour, Self, Relationship, Mindset and 21st Century skills**. The founders of this initiative have had extensive experience in the talent space with global organizations. This program allows for flexible learning based on the appetite of the child. It provides them an opportunity to equip themselves to confidently face the environment of today.
